Specialty Show 2025

The Club executive has voted to hold the 2025 Terrier Specialty on **Friday April 18** in conjunction with the Renaissance shows in Chilliwack. The Specialty judge will be **Desmond Murphy** from New York, with Puppy Sweeps judged by club member **Larisa Hotchin**. The Club's Awards Event will be held during the noonhour, and the Terrier Breeders' Specialty will be held the following day.

Show Chair Margaret Jones has provided this information about our judge, Desmond Murphy. He came from a dog family and has been judging since 1976. His first dog was a Lakeland and in his 20's he bred Norwich terriers. His father and two brothers were Professional Handlers. He started Bullyganza and Breeders Showcase at the Santa Barbara Kennel Club.

In Memoriam – Tim Duxtater

We recently learned that Club Life Member, Tim Duxtater, has passed away on Nov. 19 from cancer. Along with his partner, Don Emslie, who pre-deceased him, they established Annfield Miniature Schnauzers back in the 1980s, and quickly gained a reputation for excellent breeding and superior grooming. Their dogs, always owner handled, consistently placed in the top 5 of their breed year after year. According to the Historic Top Dog Database, for the years 1988-2017, four of the top 12 Min. Schnauzers (in terms of career points) were Annfield dogs, and between them, those four garnered 30 BIS and numerous group placements, among the many other Annfield dogs and Champions they showed. They also were consistent winners of the Club's Top Terrier and Top Puppy of the Year. As they gradually moved towards retirement, Don and Tim became well-regarded judges, and travelled across Canada, the U.S. and internationally to accept judging assignments.

Don & Tim also donated the Annfield Novice Exhibitor Trophy that is awarded annually to any Club Member who has been showing terriers for less than 5 years. On the Club's website in the Archive section for Club Trophies, it is interesting to see the annual list of winners going back to 2000. Their intention was to attract and encourage new exhibitors to the Terrier ring, and in that sense, their award has done just that. And of course, their breeding line continues to influence the breed quite widely.

Sara McDonald reports: 2024 has been a great year for the Rustik dogs! At the Tyee show on the island this past weekend Mint (**Am. Ch. GCh. Rustik's It's Only Money Honey With Qwik N Thik SDIN**) finished her Grand Championship Bronze. She is the #1 Stafford female in Canada and will also finish in the top 5 for 2024. Mint has also been awarded 2 of her 3 majors in the US towards her grand championship after attending only 2 shows as a special. She is officially retired in Canada from conformation, so it's time to play! She actively is doing well in scent detection and I plan to trial with her in 2025. See her Group 3rd photo below.

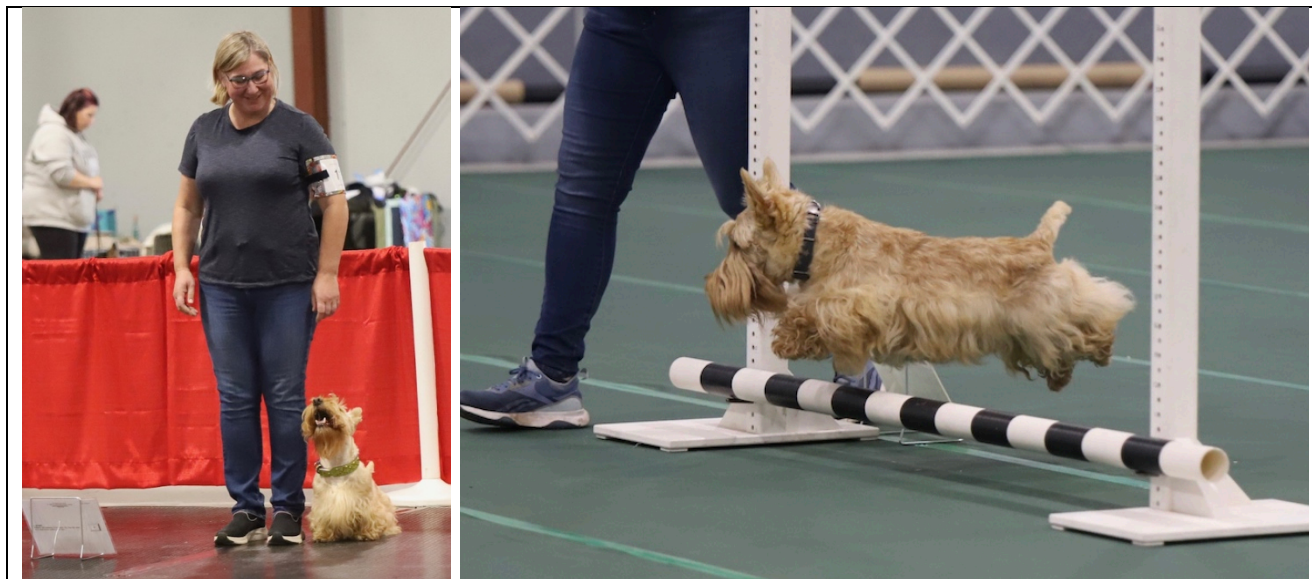

Digger has had a great year as well and I am so proud of him! He will finish 2024 only needing 2 points towards his US championship. Hoping to achieve this title in early 2025. We attended a scent trial two weeks ago in Chilliwack, where he earned his excellent Q's in interiors and exteriors to finish his scent detection excellent! In 2024 he earned his CGC in the US and CGN in Canada and also earning his CKC versatility bronze.

Ally had a good year too! She also attended the scent trial two weeks ago in Chilliwack, where she earned her final Q in interiors to finish her scent detection open! She also picked up 7 points (including both majors) towards her US championship at her first show in Portland in January 2024.

Baby Smitty was at the Nanaimo show last weekend and had a great weekend meeting a lot of people, and that tail never stopped wagging! Sunday he was Best Baby Puppy in Breed and in Group, along with some great babies! 2025 will be a year of scent detection and fun, fun, fun for my little man.

Pearl Humenny, breeder-owner of **BIS RBIS Can. GChG./Am. Ch. Benchmark's Bright Shining Fame – "Robbie"**, and the **BCATC Top Terrier for 2024**, reminds us: If life gives you lemons, make lemonade!

2024 started out sad as my very dear friend and co-owner of Bentley and Robbie passed away New Year's Day. The dogs moved in with me on Boxing Day. I had to decide what to do with Robbie on a temporary basis, as a litter of puppies was due to be whelped at the end of January, and somehow 4 adult dogs and a litter was not going to work in my home.

Xander Scriver to the rescue. Xander was going to attend the Rose City Classic in Portland, Oregon. He agreed to take Robbie with him and then show him in Alberta for a couple of months until the puppies went to their homes. Robbie attained his AKC Championship at the Rose City Shows in one weekend. Upon returning to Alberta, he started placing in almost every show he was entered in, so we made a decision to let him stay on and continue and before we knew it, it was the end of the year and Robbie was #1 Border Terrier, and #7 Terrier in Canada. What started as a temporary arrangement lasted for the entire year and we are very proud of Robbie and very grateful to Xander for his care and presentation of our boy. I am sure Marlene was watching every show and smiling.

Larisa Hotchin reports that she attended the November shows in Monroe Washington (Whidbey Island KC) and showed her girl Maddie there (**Can. GChB. BIS/MRBIS Darwyn's Mad About You**). She was shown in the Bred-By class, and the only Welsh Terrier entered. In the 3 days she was shown, she won Group 1st for the Bred-By Group competition on Friday, Group 1st both days for the NOHS (National Owner Handled Series) and in the Regular Terrier Group, she was awarded a Terrier Group 2 and a Terrier Group 1st award – all presented by Larisa Hotchin, Maddie's Breeder-Owner-Handler. The Regular Group placements were awarded by Daryl Vice and Jay Richardson, both experienced long time terrier specialists. On Maddie's last show weekend in Canada for 2024, she was awarded two Group 1st and a Group 2nd at the Elsie Murray show.

Sandi Malcom (Mimicker's Miniature Schnauzers) is happy to share that **Ch. Mimicker's Gadabout** (Ch. Kruse's High Interest x Mimicker's Curtainup Bernadette, CA CGN) has achieved her Grand Championship. She is a natural eared, and tailed girl with all the spicy stuff a Schnauzer should have. Well done Miss Moo.

Nancy Halford is pleased with the rankings achieved this year by her two AmStaffs, Ringo & Jude: **MBIS BISS BPIS GrChS. Marauders I'm Your Huckleberry**, Bred/Handled/Owned by Nancy Halford
#1 American Staffordshire Terrier 2024, #4 Owner Handled Terrier Group 2024
